Want to get involved in some competition sport events?

You are in the right spot: triathlons take place at almost every weekend during the summer. Check the info board for details.

Enjoy the sweet and sour flavour of a raspberry tea while picking berries in the lush dense forest.

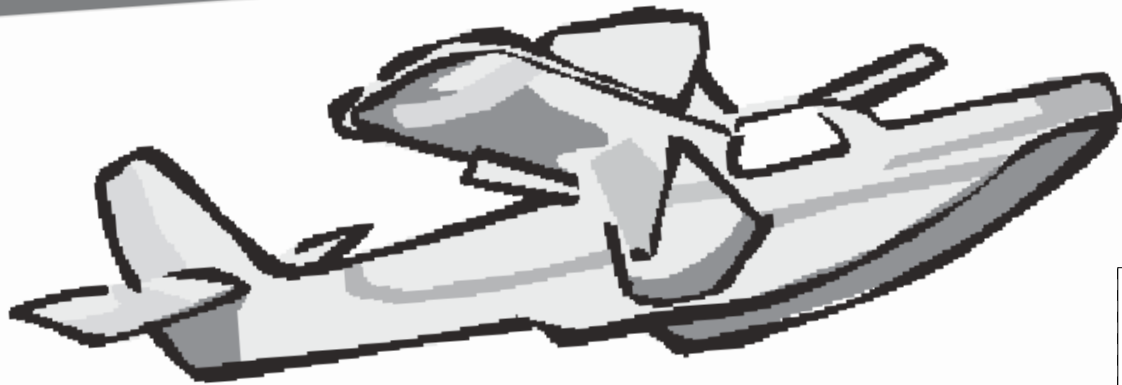

Above,  
a  
black  
sky  
studded  
with  
innumerable  
stars.

Have you  
ever heard  
the silence  
?

You are  
insignificant  
in this great  
surrounding.

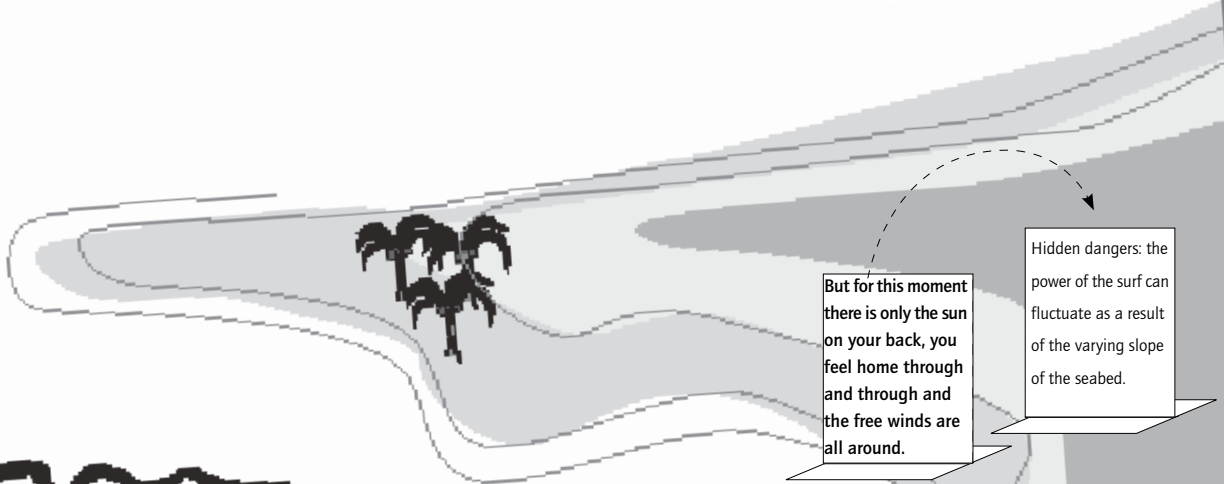

You cannot sleep;  
too many  
thoughts are  
rattling around  
your brain.

Don't you think,  
you have to sing  
more often?

*Do not think too much.*

**Reduce speed.**

But for this moment there is only the sun on your back, you feel home through and through and the free winds are all around.

Hidden dangers: the power of the surf can fluctuate as a result of the varying slope of the seabed.
